Mr. A. E. Attaquin,
Gayhead, Massachusetts.

My dear Friend:

I want to thank you for your letter of recent date and for the kind words of appreciation you expressed therein. It is a pleasure to me to greet former students at this school from time to time and to renew the friendship that must always exist between them and those of us who are yet engaged in the work at Carlisle.

The change of address you report is again being taken up with our print shop and I hope the matter will become adjusted. Keep us informed of your changes of address, so that we can keep in touch with you.

I hope I shall hear further good reports from you and I wish you success.

Very sincerely yours,

HKM.

Superintendent.

Mr. Friedman,

Superintendent of the U.S. Indian School,
Dear Friend;

Hardly knowing how to express my thankfulness in regards to your kindness of sending such a beautiful letter and card, I herein make it my best opportunity to feebly pen a few lines in lieu of thankfulness and pleasure I took in receiving the same.

The card especially, shall hang in my cozy room as an emblem of my past school days.

The Squad, of our foot-ball boys - whom are so widely known by their fleetness of foot and unsurpassed alertness shall be honored by finding themselves in a nice little frame made from my own handiwork. Therefore knowing the "Arrow" is printed by the Indians, the pictures being of Indians and my self making the frame completes the "Fit to a T."

That I am writing will inform you of interests in and around my vicinity. One snow storm so far has greeted us. That being on Christmas Day.

Children are waiting patiently for Jack Frost to complete his work more durable, on the ponds, that they may enjoy their usual pleasure of skating.

Climate for past month has been elegant up to about a week ago when changed for a trifle colder. Many thoughts ran through my mind when partaking of the Christmas Dinner of pleasure, I'll never regret, taken at dear Old Caribie.

Am filling the post-card blank and send it along with letter as you requested. While thinking of it, I will ask - why is my "Arrow" sent to my former address when I have already made it known to you of my present address? Not every time will I say - that my paper goes there - but for simple reasons, I think it more appropriate to send it to my present address then I will rest assured, it will not take nor interrupt their valuable time by sending it to my present address.

Wishing you a "Happy New Year"
I remain

A. E. Maguire,
