INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other non-reservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.

Miss Bessie Printup,

Perry, N. Y.

My dear Friend:

I have received your letter of May 10th, enclosing blank filled out as requested. I am glad to know you have secured work at your home and I hope you will remain strong enough to continue with the same.

I would gladly give you another chance to continue with your education at Carlisle, but in view of the fact that you spent so much of your time at the Hospital during the period of your former enrolment, it is not deemed advisable to allow you to return to school, just at present.

You may regain your strength as you grow older and it is likely that you can yet return to school at some future date.

Very truly yours,

HKM.

Superintendent.

Mr. Moses Friedman.

Hoping to hear that I may
return to school I beg to remain

Sincerely

Bessie Printup.
