Dear Friend:

I have noted in your letter of November the 11th that you recommend for enrolment at Carlisle Anna Garrow, an eighteen year old girl who seems to be homeless, and although practically all the students who can be accomodated here this year have already been enrolled I will be pleased to receive an application for the girl's enrolment on the blanks I enclose herewith. With the application should be submitted any recommendations the girl may have or can secure, in order that I can satisfy myself that she would prove herself worthy of being given a chance to continue her education at government expense.

Very truly yours,

HCM.

Dear Sir

I wish to
recommend Miss Anna Jarow
of this place, a good girl
wants to get a better education
than what she has now. She
is eighteen years of age and
she seems to be alone, she
is living ~~sh~~ with friends now.
As I am an ex student of
Carlisle I think it would be
a good place for her.

Resp. Yours. Lydia Tenarce White.
