Supt. J. Francis Jr.
Indian School,
Carlisle, Pa.

Dear Friend:—

Your letter received and I will
be very glad to give you my ex-
-perience of my outing under Supt.
General Pratt.

I came to Mr and Mrs Caleb Hancock
April 5th 1900, and I have been very
thankful to Carlisle for finding me

such a good home and kind home people,
I have lived with them for sixteen years
and it surely has been a very happy and
pleasant outing, as I went to school from
there and received a good common school
education and the best of home training.
By attending school and church I made acqu-
aintance with the neighbors and now I have
many kind and good warm friends in the
neighborhood, I was active in church work and
also Recording Sect. of the W. C. T. U. of our Union
for a number of years, or untill I was married.
Now that I have a good home of my own and
a kind husband, and a little daughter one
year old this week. I am always glad to visit
my country home with my family and remain
as long as we can conveniently, we surely all
enjoy those visits, where I know we are always
welcome, and I most hearty reccomend the
outing if you can get your schools situated as
I was and treated as one of the family, and get
the good home training I did, It will be the
best for them and with my outing experience I

reccomend if one is satisfied and her
country people are satisfied with her I
would not compell her to leave that home
and exchange for another, as that same
good girl may not do her duty as well
in the new home, as I think it gets
them in the habit of changing, even
if they have a good home.

Again I wish to thank Carlisle for what
it has done for me, and hope that when
our little Bertha is older, that I will be
able to visit there with my family.

Wishing you success in your work

Yours truly

Julia Farris Abell.

Dear friend:-

It is my purpose before long to issue an outing number of the Arrow and Red Man. Among other facts concerning the outing, I want very much to publish some expressions from our graduates and ex-students regarding their outing experience while they were pupils here.

I understand you have had considerable outing experience. Would you be willing to write me a letter giving the interesting facts about your Carlisle outing and naming any special benefits gained by you therefrom which have been helpful to you in after years.

If you can do this, I will be glad to hear from you soon.

Very truly yours

Superintendent.
