Dear Sir:-

I am an old student of Carlisle and I often think of the School and the good times that I had while I was going to School.

I am always thankful of what I learned while at Carlisle.

Of course I did not go very far with my studies but I learned enough to help my children to learn good many things before they are old enough to go far away from home.

I have three children two girls and one little baby long just beginning to walk good.

The one reason why I am writing this letter is because I don't want any body to forget that I still think of the dear old Carlisle School and often wish I had the chance of going to school again.

I want to ask you a favor from the school and that is to please send me the two hymn books one is the Gospel Hymn and the other is the Hymn that we used to use when I was there the name of it I have forgotten but the hymns that are

in the book, one the names
is "Send the light" it used
to refer Pratt's favorite hymn.
and another is "How and near
the fields are teeming"

I have never seen such a
hymn since I have been
home and I always wanted
to have one.

I will be very glad to get
one. please send me one and
let me know whether I can
get one or not

I am well and happy and
hope that everybody at the
school that I know are the same.

Yours truly
Lavinia Metzger

My dear Friend:

I have your very cordial letter of January the 26th and it is gratifying to know that you think so kindly of the school where you received the training that is now proving useful to you. I am pleased to know that we can number you as one of our many friends and on whom we can depend to lend such co-operation as may be of help to us from time to time.

In regard to the Hymn Book you mention in your letter I can only say that such books were furnished us by the government and that it will not be possible now to send you one of them. The name of the book you desire is "THE EPWORTH HYMNAL, Nos. 1 and 2, combined", and it is published by Messrs. Eaton and Mains, New York City. You should not have any difficulty in securing a copy direct from the publishers.

Under a separate cover I am sending you a copy of

our school catalogue, together with a copy of the
monthly magazine we publish in our print shop. Hop-
ing that the information contained therein may be of
interest to you and your family, I am, with best wishes,

Very truly yours,

HKM.
