Dear Friend, -

Received your most welcome letter containing the check of \$20.81 on the 6th of Dec. I was so glad that I did not know what to do.

I am so thankful to you for sending it to me at this time. I am now a married woman, My name is Mrs. Geo Swasson Neptune, I have been married over a year last Nov. We are as happy as we can be & we get along finely.

2.

We have a nice home it is all furnished
 we have everything we are in need
 of nothing we always have money
 in our hands and we are never in
 debt anywhere my husband has
 quite a lot of money in the bank
 and we don't even touch that, that
 is laid away for the future years
 to come. It's quite cold here now
 the river is frozen now. My husband
 and I have been out skating a few
 times. We also go to see the mov-
 ing pictures quite often we are
 buying our Christmas presents and
 we are very busy just now. I keep
 my house as clean as wax I guess
 my mother is well and how is my

sister Christing Mitchell and my
 brother Frank Mitchell? I hope
 that they get along well, I am also
 buying quite a number of presents
 for them. Many a time I think of
 (Dear Old Carlisle) it has done
 me so much good. When ever
 we have any children, I will send
 them to Carlisle to. I send
 my regards to all of the students
 there also the teachers and all
 of my classmates I am in good
 health also is my husband.
 I would like to be out there
 for Christmas. But some day my
 husband and I are coming out
 there for a short visit.

I would like to take the arrow
all of the time, I would like to read
about Carlisle. My mother-in-law
thinks a lot of me. Well I think
that I will come to a close
for this time but I will write
often as your student

Mrs Geo. Swanson Neptune,

Dear Sir,

I have neglected your letter for some time but it could not be helped as I was just about broken hearted I have lost my husband and a little girl at one time. Am well pleased with the school there I was a member myself there for five years and it certainly did my some good I have learned a lot by going there

I done my own house work cooking washing sewing and everything else I was taught there and I appreciate it very much

when my son get old enough I will surely put him there he is only three years old now I was eleven when I went there I believe.

How are all the students getting on
on to success I know, it is a beautiful
place there on the campus there must
be a great change there now I left
