Dear Friend, -

Received your most welcome letter containing the check of \$20.81 on the 6th of Dec. I was so glad that I did not know what to do. I am so thankful to you for sending it to me at this time. I am now a married woman, My name is Mrs. Geo Swanson Neptune, I have been married over a year last Nov. We are as happy as we can be ~~to~~ we get along finely.

2.

We have a nice home it is all furnished and we have everything we are in need of nothing we always have money in our hands and we are never in debt anywhere my husband has quite a lot of money in the bank and we don't even touch that, that is laid away for the future years to come. It is quite cold here now the river is frozen now. My husband and I have been out skating a few times. We also go to see the moving pictures quite often and we are buying our Christmas presents and we are very busy just now. I keep my house as clean as wax I guess my mother is well and how is my

sister Christing Mitchell and my brother Frank Mitchell? I hope that they get along well, I am also buying quite a number of presents for them. Many a time I think of (Dear Old Carlisle) it has done me so much good. When ever we have any children, I will send them to Carlisle to. I send my regards to all of the students there also the teachers and all of my classmates. I am in good health also is my husband. I would like to be out there for Christmas. But some day my husband and I are coming out there for a short visit.

I would like to take the arrow
all of the time. I would like to read
about earliness. My mother-in-law
thinks a lot of me. Well I think
that I will come to a close
for this time but I will write
often as your student
