Mr. Claude C. Covey,  
Superintendent, Standing Rock Agency,  
Fort Yates, N. D.

My dear Sir:

When Felix Fly who is enrolled here from the Standing Rock reservation, came to my office this morning with a request that he be allowed to go home in order that he can join some baseball team I concluded that since he has not done anything for himself here for some time and he prefers roaming around the country to earnest school work he might as well be allowed to learn now as later that he is making a very unwise choice.

Accordingly it has been arranged so that he can leave here this evening. Transportation for his passage to Morristown, South Dakota, will be procured for his use, and a sufficient amount in cash will be allowed him to cover his incidental expenses enroute home.

Very respectfully,

HKM.

Supervisor in Charge.

Mr. Albert H. Kneale,  
Supvr. in Charge, Standing Rock Agcy.,  
Fort Yates, No. Dak.

My dear Sir:

This is to acknowledge receipt of your letter of June the 5th, with which you transmitted an amount of \$73.11 for the use of Felix Fly to defray his expenses for a trip to his home.

Replying to the recommendation contained in your letter this is to advise that Felix has been at one of our Outing homes for more than a year and that he has made a very satisfactory record there. Being so much better than the very unfavorable record he had made before he came to Carlisle I am inclined to believe that it would be better for Felix to remain where he is during the summer months. However, if it is yet thought best to have him return home an effort will be made to send some other boy to take his place and he can then be returned home.

Hoping to hear from you again, I am,

Very truly yours,

HKM.

Dear Sir:-

I am enclosing herewith check numbered 2273 drawn in your favor for the sum of \$73.11 on the First National Bank of Steele, N. D., which is to be signed by Felix Fly, and the proceeds placed to his credit.

Felix Fly is an allottee of this reservation and is now a pupil of your school. His parents desire to have him come for vacation, and if same meets with your approval I would appreciate it very much if Felix could be allowed to come and visit his parents during the vacation months.

My dear Mr. Davis:

I thank you for the information you conveyed to me in your letter of February the 7th, as it will be of use to us in dealing with the young man referred to. The enclosure you submitted with your letter is being returned to you herewith.

In this connection I will add that we have not had any trouble with Felix, for it seems that he has not had enough energy at any time even to get into mischief. He has been obedient in general, but is frequently tardy and requires continual urging to perform what are daily requirements.

It is hoped we can yet make him see the importance of putting forth effort while he is enrolled here and that he will not repeat the unfavorable record he had at your school.

Very truly yours,

HKM.

Dear Friend:

I inclose a letter thinking that reading it may help you to learn the character of the writer and hence suit your treatment in such a manner that it will help to make a man of him. He was enrolled at this school <sup>and</sup> attended one year. When he went home on his summer vacation he borrowed money, <sup>and</sup> stole two baseball suits, <sup>and</sup> during his vacation at home he was in jail a good part of the time convicted of larceny. The agent returned him to school in the fall at the close of his sentence, <sup>and</sup> he remained a short time then deserted and the next time I heard from him he was in jail in Montana.

Thinking that your school is better equipped to make a man of him than ours I recommended his transfer. You will notice that he is now contemplating deserting from your school.

Hoping that you will have <sup>a</sup> success in making a good man out of him, I am

Yours truly,

INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without special permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.
