Mr. M. Friedman,  
Carlisle, Pa. (P)

Dear Sir:-

Yours of Sept.  
5<sup>th</sup> has just been  
forwarded to me.

I am teaching in  
a district reservation  
school on the  
Tonawanda reservation.  
It is one of the day  
schools which is  
under the supervision  
of the N.Y. State  
Education Department  
by which I am at  
present employed.

I wish you and  
the Carlisle school the  
very best of success in  
your work for the  
year.

Very truly yours,  
Caroline Hewitt.

The Arrow and Red Man.

Many of the returned students of the Carlisle are engaged in teaching in and out of the Service. One of the bright young ladies who was educated here and who was a good musician, Caroline Hewitt, is now employed under the State of New York, teaching one of the district schools on the Tonawanda reservation in New York. In a letter just received she says:

"I am teaching in a district reservation school on the Tonawanda reservation. It is one of the day schools which is under the supervision of the N. Y. State.

"I wish you and the Carlisle school the very best of success in your work for the year."

My dear Friend:

As it will soon be time to arrange for your return to school I would be pleased to hear without delay on the card herewith whether you can make an effort to bring other students with you. If you can give such assistance school literature and application blanks will be sent you without delay. Such further instructions as are necessary will then be given you.

If it is not convenient for you to give the assistance desired, will you please suggest the name of some one else on the enclosed card?

Hoping the summer has been pleasant and profitable in every way, I remain,

Your friend,

HKM.

### INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other non-reservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.
