Mrs. Adela Borelli de Casals,

Calle Estrella No. 5, Ponce, P. R.

My dear Friend:

I thank you for your letter of March the 27th. It came to me during our busy Commencement week and because of the many duties since then this reply has been delayed.

I am pleased to note that you are expecting to take a trip to the north and it is hoped you can arrange to spend some time with us here at Carlisle. I assure you it will be a pleasure to have you visit your former school home and the friends you will yet find here.

Let me congratulate you on having been such a helpmate to your husband, and that you have been able to make use of the school training that you received while enrolled at Carlisle. It is always gratifying to know that our former students are taking a place in the affairs at their homes and to feel that much is being accomplished because of Carlisle.

-2- Mrs. Adela Borelli de Casals.

Assuring you of my continued interest in
your welfare and with best wishes for continued good
health and success, I remain,

Your friend,

HKM.

Superintendent.

Mr. Friedman,

Carlisle, Pa.

Dear sir:

After seven years away from the States I expect to return soon, and I will be very glad to go some day and see dear old Carlisle.

Excuse me for my delay to write but I have work so hard these last years, that some times make me forget my old friends. altho I never forget dear old Carlisle where I past so many happy days. Here in Porto-Rico I have work as stenographer for different corporations and also as girl's Inspector in a Milk Pasteurizing Plant and alway very satisfactorily. I married soon after I got home to a very nice man and as we are poor, I help him a greatdeal. Hoping to hear from you soon, I am,

Yours respectfully,

Adela Borelli de Casals.
