Dear Friend:

In my correspondence with the returned students of this school, I have been impressed with the fact that there are so many who are living away from the reservations, and holding their own there.

I am more and more of the opinion that one of the most convincing proofs that it pays to educate the Indian, is the fact that there is this large number of graduates and returned students who are able to take their places along with the best American citizens; who are able to build good comfortable homes for themselves and families, and to provide all the essentials and many of the comforts of life for themselves.

To show this fact to the interested public in a convincing form, I purpose to issue, before long, a pamphlet giving photographs of the homes of some of our representative graduates and returned students. I want YOUR help in this attempt. I understand you own a good comfortable home. May I ask that you send me a photograph of your home to be used for the purpose above named. I will appreciate your aid, and will be glad to return the photograph after I have had a cut made from it. Please wrap the photograph well, with the proper backing so it will not be broken in the mail. I will be glad to reimburse you for whatever the photographs cost you.

With best wishes for your success, I am

Your friend,

NRD-MID.

Superintendent.
