August 19th, 1913.

Mrs. Rachel Frank,

Kamiah, Idaho.

My dear Friend:

Upon receipt of your letter of August the 12th I directed our resident school physician to make me a report in regard to the condition of your daughter Ella's health. The statement that is copied below was issued this morning by him:

"Ella Frank was in the Hospital from July 27 to August 7, suffering with Diarrhoea and Indigestion, from which she made a good recovery. Ella had lost some weight during the spring but at present she has regained her normal weight and is doing her regular duties the same as any other girl in the school."

Assuring you that it gives me pleasure to convey so favorable a report to you and that there is no need for anxiety about Ella's condition, I remain,

Very truly yours,

HKM.

Superintendent.

 of going to school in

new patron - just girl - farm home - a lovely motherly woman, excellent house-keeper, says relation is only fairly satisfactory. She was sick for the first two weeks she came to her, unable to work. Money later was sent her by her mother for the purpose of returning to Carlisle to see her grand-father there on a visit. This and letters received from the girl have so upset ~~her~~ that she has been of little real value to the lady in whose charge she now is. Patron does not care to keep her for the winter.
