OUTING RECORD - CARLISLE INDUSTRIAL SCHOOL

April 19th, 1915.

Mr. John Neveaux,

Odanah, Wisconsin.

My dear Sir:

I have received your letter of the 16th instant, to which was attached your daughter Margaret's statement to the effect that \$84.00 of her Outing money was placed to her credit in our School Bank and that she has not "seen any of that". Our records here show that she earned but \$87.50 while she was under the Outing and that she drew \$25.32 of that amount direct from her employers. Her receipt for each amount paid was taken. The amount of \$62.18 which was placed to her credit in bank could not be paid out except by Margaret's check and there can be no question about her having received each amount for which she signed a check. On September the 11th of 1913 a check for \$28.08 closing her account was mailed to her and on October 2nd an additional amount of 56 cents in stamps was sent to her which represented interest that had accumulated on the remainder in bank.

In my other letter I explained how the amount of \$50.00 you sent for her transportation was expended, and there is

-2- Mr. John Neveaux, Odanah, Wisconsin.

nothing I can add to that statement except that she does not have any money at all to her credit here.

Regretting very much that such a misunderstanding has arisen, I am,

Very respectfully,

HKM.

Supervisor in Charge.

Sir: - -

You will find my
daughter's statement;
in which she got from
her working out.

And so you must be mis-
taken. we sent \$50.00. for
her to come on, and so
\$25.00. for one way. and the
other \$25.00 must be in
your books, we cannot afford
to loose that. we need it-
more than the school does.

please do not hold that on
us, she said she did get
some money that was from
her wages, so look over
more carefully.

Dear Sir:—

Your letter
stating, that on the
11th of July the amount
of \$25 was given me
I must say that
there is either my
credit still at school
or the balance of
\$25.

I was out in the
country in April and
stayed at Hudleys till

the following September.

Also receiving \$12 monthly and according to the rules of the school \$9 was sent in each month which ~~left~~ amounted to \$57. In Sept. I went to Rutledge and remained there five months. receiving \$8 a month. \$6 going to school. also amounted to \$30 The whole \$87 I must admit I have never seen any of that.

Tell no doubt there

is a mistake somewhere
which I trust will be
looked at.

Mr. John Neveaux,

My dear Sir:

Replying to the inquiry contained in your letter of the 7th instant, this is to advise that the amount of the fifty dollar Money Order you sent here in 1913 was placed to the credit of your daughter Margaret on July the 11th. That same date an amount of \$25.00 was given your daughter in cash and on October 2nd the balance of 56 cents not required to pay for the ticket procured for her passage home was sent to her in postage stamps.

The information given above appears in the records on file in the School Banker's office and can probably be verified by your daughter in so far as the two amounts of cash are concerned.

Very truly yours,
