Ashland, June 27, 1913.

Sup't. M. Friedman,  
Carlisle, Pa.

Sir:

I have your letter of June 17 pertaining to the application of Mamie G. Moder to come home this summer for a vacation.

I also note that part of your letter referring to the application of John Neveaux on the part of his daughter Margaret.

I had a talk with the father yesterday, and he seems anxious that the girl be allowed to come home this summer for the reasons already set forth in his original application to you.

He says that as soon as authority issues from you for the return of this girl, he will be glad to send round trip expense money.

Inasmuch as the girl has not seen her folks in two years and that they are very estimable people and also in view of the further fact that the mother needs the girl's services this summer on account of illness, I would recommend favorable action by you upon the father's request.

He will therefore await a letter from you directed to him at Odenah in the matter of granting authority for the girl's trip home.

Respectfully,

## **INDORSEMENTS.**

---

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them is living, and if neither of them is living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

Provided, that hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs and Superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case.

This form is to be used only in transfers from reservations, or Indian schools, to nonreservation schools.

My dear Sir:

As we have just entered upon the fifth week's work of this school year I would be pleased to have you inform me when Mamie G. Moder and Susan La Femia will return to Carlisle to continue with their enrolment here.

As transportation has already been placed to your order, both at Ashland and Odanah, it is hoped the girls can be sent on without delay. It will be satisfactory to have them provided with tickets on the order that is referred to above.

Very respectfully,

Yours,

Superintendent.

My dear Sir:

This is to acknowledge receipt of your letter of June the 12th, reporting favorably the request that has been made to you for the return home for the summer of Mamie G. Moder. The matter has had due consideration, and, although <sup>it</sup> is hardly advisable to grant such a special privilege, your recommendation will be complied with as soon as the required funds are received here.

Such action as is recommended will undoubtedly establish a precedent among the students enrolled here from your jurisdiction that will result in numerous similar requests, some of which cannot be granted. It is believed best, therefore, to consider as few such requests as is possible.

In this connection I will report that Mr. John Neveaux has written me in regard to the return home of his daughter Margaret to be of assistance in the home. I am

Sir:

The mother of Maggie G. Moder has asked me to write you concerning her daughter Mamie who is at this time in attendance at Carlisle. She would like to have the girl come home this summer for vacation.

She says she hasn't seen her daughter for two years and would like to have her spend the summer at her home in this country. I might add in this connection that the Moders are very worthy people and bear a most excellent reputation. They are always willing to do whatever is right.

The mother feels that the daughter is entitled to a vacation and a visit home this year and she seems very anxious to secure consent from you for such a visit.

If you can conscientiously see your way clear to authorize same, I would be glad to recommend it. The girl has money in my hands sufficient to pay her transportation both ways and this money will be sent to you for transportation expense provided you authorize the vacation asked for.

Replying to your favor I have to advise that since Mamie is not ready to return to school at this time, and because she may decide to do so later in the year, it is my belief the funds she deposited here to pay for her return transportation should be retained until the matter is definitely settled one way or the other.

Sir:

Upon receipt of your recent letter, I wrote Mamie G. Moder of Marengo, Wisconsin, asking as to whether or not she intended to return to Carlisle school this fall, and in reply to my letter, I have received the enclosure written by her which is to the effect that she does not intend to return.

I regret that she has taken this stand in the matter because I fully expected that she would return to Carlisle this year and resume her studies. I think it was with this understanding that she was permitted to come home and I do not know of any good reason at the present time for her not going back.

So far as her funds are concerned which are deposited in your hands to secure return ticket, would state that this matter is left for you to pass upon as I do not know what the custom of your school is in regard to this refunding of transportation money.

I have not yet heard from the La Fernia girl whom I wrote at the same time.
