Dear friend:-

Although I have been much pleased with the results of my efforts to learn what the graduates and ex-students of this school are doing at the present time, there are still quite a number about whom I have not heard.

I enclose herewith a list containing the names of boys and girls who at some time, have attended the Carlisle School. Please give me the information asked thereon as well as you are able and return the list in the envelope enclosed which requires no stamp. I will appreciate your help in this matter.

Very truly yours

Superintendent.
