Miss Clare Jimerson,

Erie Co. Hospital, Buffalo, N. Y.

My dear Madam:

I have received your letter of the 3rd instant and am sorry to learn that you are now confined to the Erie County Hospital. Sometimes when illness and suffering beset us it is difficult to see that others around us are a great deal more unfortunate than we are and I am sure that the care that is being given you will help you to see that your condition could be far worse if you did not have proper care.

It is a pleasure to note in your letter that you are so grateful for all that was done for you while you were at Carlisle. It makes work for us here a great deal easier and more satisfactory if we can believe that what we do is appreciated. That very attitude in our students enables us to do all the more for them.

Herewith I am having enclosed a copy of this week's issue of our ARROW and I trust the information contained therein will be of interest to you.

I trust too that we may soon hear that an improvement in your condition has been effected and that you can expect to be released from the hospital in time to go to your home to enjoy the coming of the spring and all that season brings to people who live in the smaller towns and the country.

Very truly yours,

Superintendent.

HKM.

I am very ill and very  
boredome so I thought  
I would drop a few lines  
to you and see you could

HENRY BAUER,  
Superintendent County  
Home and Hospital  
DR. J. D. HOWLAND,  
Medical Supt.

BUFFALO, N. Y. April 12, - 1916.

Dear Sir:-

I am still here had been for last seven months, and i am not much better from the time i came in here and my health is not in proove yet i tell you what Mr. Kaiser said when he brought me here with the nurse, Mr. Kaiser told Mr. J. D. Howland that he should take all the time to cure me and he said to him they care to make and get good money on patient!

If they want it to cure me they could but they dont want it only to spoil a person and make money on them thats all, maybe they think i am a poor Indian, and i would please if you be so kind and write to Mr. J. D. Howland ask him if they going to cure me or not and how long it will take them to do that. If you ever come to Buffalo will you please call at Erie County Hospital to se me will dear sir Mr. A. H. Rippe or not let me know by mail.

I had a lady to come and see me from  
Philadelphia a Quaker lady the one I use to live  
with her when I was 11 years old hope to hear from  
you soon

Yours  
truly  
Friend
