most beneficial institution. I was fourteen years
of age when I left Carlisle but that did not
end my school-days. With the delight in
seeing the many graduates there each year

some day I may be as "lucky." I con-

My dear Friend:

Will you please let me know where I can reach your brothers, Hobart and Torrance? I am anxious to get into touch with them so that I can ask them to fill out information cards to be placed on file here with their records.

The envelope I enclose may be used without affixing a stamp, and I would thank you to give me whatever assistance is required in this matter.

Miss Geneva B. Jamison,

515 Third Ave., Warren, Pa.

My dear Miss Jamison:

I am sorry to know that you lost your brother Torrence last summer, and that his death was so sudden and so unfortunate. I extend you my sympathy and I would thank you to convey these expressions to your parents.

I am sending one of our cards to Hobart at his home at Irving, so that he can note thereon the information we desire for our files with his record.

Trusting that you yourself are meeting with the usual success in your chosen profession, I am,

Very truly yours,

HKM.

Superintendent.

My dear Sir,-

In reply to your
letter written Jan. 31st. '14.

I have to tell you of
Torrence's awful death
last July. He was
hired by the P. T. R. Co.,
as brakeman and
working only ten days,
met a terrible accident
and was badly hurt.
I do not believe the

boy realized
intense pain, I'm
thankful for that.
The loss of Torrence is
very hard for us to
bear, he is the first
one to go from our
family.

Torrence was always
a good boy we never
knew of him doing
wrong -

Hobart is at home
attending school in
Irving N.Y., he is
also such a good boy

I try my best
keep him in school
long as he will.

I have regretted that
they did not return
to Carlisle when they
should have.

In closing my
letter I thank you
most kindly for
remembering my
brothers.

Very sincerely,

Geneva B. Jamison.

Mr. Wallace Denny,
U. S. Indian School,
Carlisle,
Pa.

Dear Sir,

I feel it quite necessary for me to write you concerning my little brothers Torrence and Robert both under your charge in the small boys quarters. Very often I receive letters from them which are not

satisfactory at times,
they complain of ill-treatment
from you, that is harsh
punishment they receive
for probably a trivial dis-
obedience. Now for
instance in Torrence's letter
to-day how a boy did
not scrub well as he
should have and "Mr.
Denz came in my room
and asked me why I didn't

scrub good and as I was
going to explain to him whose
turn it was to scrub he
punched me and I fell
over before I knew it "

now, was that necessary?

Permit me to assure
you that those boys are
not incorrigible unless
they have gotten so since
they have been at Carlisle.

Robert complains of

times you were going
to school and I have
always thought there
was no better school
than Carlisle otherwise
I would not have my
brothers there.

The reports from
the superintendent are
excellent including
of course, their conduct
in the quarters

6.
I hope that I will hear
from you telling me of
the boys' general behavior
and if they continue writing
the same as before, I
shall see deeper into the
matter for I believe
in reason with punishment.

I remain yours

Respectfully,

Geneva B. Jarrison.
