Mr. Elon Fels,

Gowanda, New York.

My dear Sir:

Replying to your letter of October the 19th, in which you called my attention to Maggie Johnny John's crime, this is to state that she was also known here by the name of Mattie Johnny John and that the only information on file here not to her credit is the report of her desertion from one of the School's Outing homes on October the 16th of 1908.

She was enrolled from September the 15th of 1898 to the date just mentioned and her record must have been satisfactory.

Very respectfully,

HKM.

Supervisor in Charge.

Dear Sir:-

I am writing to ask if you would please let me have a written report of Maggie Johnny John's past record while she was at your school. I understand she was sent home on bad record. She is the confessed murderer of my brother George Eels and I would like very much to have you send me some thing that might go some way to help us out against her. We know her around here as a bad character ever since she came back from school. Hoping to receive some thing from you at the earliest convenience and oblige.

Respectfully yours

Elon Eels
