4. What is your present occupation?

5. Tell something of your present home my home is on the Chattahoochee reservation. Our home is not large but rather comfortable consisting of

6. What property in the way of land, stock, buildings or money do you have?

7. Have you been in the Indian Service? In what positions? How long in each?

8. What other positions have you held since leaving Carlisle?.....

9. Tell me anything else of interest connected with your life:

one large room and ^{two} smaller ones. The largest part of the house has two stories. We are not satisfied with that as we expect a new home soon.

Our farm consists of about six hundred acres that I am sure of. I do not know just what I am entitled to yet but the place and all goes to three of us. I have not been home in four years except four months last summer during vacation time.

The other time I have spent at Hampton. That is the reason I do not know very much about home affairs of that sort which would interest you. I expect to finish next term here. When I do I want to get into the Indian Service.

I left Carlisle because I was very ill.

I liked the school and often think of it. Before I came here I stayed at home and tried to make myself useful in a small way.

yours truly,
Clara B. Schinger
