Mrs. Rosa Smith,

Indian Falls, New York.

My dear Madam:

I have noted what you state in your letter of August the 24th, but for the reason that King Smith is but ten years of age it cannot be arranged to receive him at this school. The Indian Office rules now require that children shall have reached the age of fourteen years before they are eligible for enrolment at Carlisle.

Regretting that I cannot co-operate with you in carrying out the desires of the boy, I am,

Very truly yours,

June 24th, 1913.

My dear Friend:

I enclose herewith a printed circular that contains information about Carlisle and the courses of training that are available here. Please read the same with care and then let me hear from you if further information is desired and whether you would be interested in other school literature. I also enclose a blank upon which your application for enrolment may be submitted me. This blank should be filled out in every detail before it is returned to me, and if you reside under the jurisdiction of an Agency Superintendent his approval must be noted thereon.

The vacation months will soon be past and to make sure that your application for enrolment can be given consideration before the opening of the new school year in September you should not delay about this matter. If I can help you in any way do not hesitate to write to me. The envelope I enclose can be used without affixing a stamp.

Very truly yours,

Encls.

HKM.

Superintendent.
