Dear Sir

I will drop a few lines to you this afternoon I don't think I can find any students to send to your school they seem to be very scarce they don't like to leave their homes We had bad luck with our boy hes ten years old he was at the Quaker School Boarding school he found a ditanike caps he broke it with a pin and it blow off his fingers and one eye hit his face we had hard work to get him well again we had to get him back to get him well again now hes gone back to school his left hand he lost two fingers left the rest three is blown off his right hand is not hurt I send him back to school just to get ^{him} a good education he wont be able to work much. his both eyes got well. my two girls are not old enough to go to your school shes eight the

or the is six years old
I hope some day they
might be able to go their
I think it is very nice place

They support them in every
thing with out any cost
which I think it is very
easy to stay their
their food and clothing
is given to them.

It is the best place in
this country I think
I wish I was a young girl
I would be their to school

My sister's boy went to Hamp
ton about one month ago
now he says he have to
pay for every thing his
pay for board clothing etc
he say he want money to
be send to him he's all broke

I think Carlisle is the best
place for us poor indian
I thank you for that school

wants to learn
