Mr. Friedman.

I will now take my opportunity of writing a letter to you to day. I am well and happy as ever. Hoping that everybody at Carlisle is the same.

I have not very much to say to you. But I will try the best I can. I am trying harder and harder the work that comes to me.

I am studying my lessons hard and am learning all I can and see what I can do. I ~~was~~ in ~~seventh~~ ^{seventh} grade when I left the

the State School. I often
wishes I were at Carlisle
maybe I would have
graduated now. I am not
taking music lessons any more
but hope to start in early
this spring. It seems like
spring out here now what nice
warm days we are having

I have twelve copies of
the Carlisle Arrow now and
I like them very much. It
seems just like a letter from
a friend letting me all
about the doings over there

I would like very much
if you can send me a copy or book
of red man what you have
this year. also send me
your commencement programs
I think this is all I can
say to you. I wish best

regards to all my friends
and old school mates

Truly your Friend
