Dear Sir:→

I was indeed very glad to get the booklet you sent to me. I was so pleased to see the pictures and the improvements that were made after I came away.

I only wish I was back there to take up the studies that I am given now. Although I am proud I was once a "Carlisle Student" I have

two brothers and a sister  
but it will take long  
before they are old enough  
to enter the school. I am  
glad to say that Carlisle  
Indian school is helping  
so much to educate an  
Indian to make him or  
her self a living in the  
future. I am proud to  
say I have been to Carlisle  
Ind school and have learned  
so much at the school and  
in my country home. It  
will not be long before  
this half of the reservation

Dear friend:-

I am glad to get your good letter of some weeks ago and pleased to know you are getting along well. Your letter came to the school while I was in the west visiting some of the Indian schools out there and also visiting the returned Carlisle students, this is the reason I have not written to you sooner.

We do not keep the old photographs on hand any more but if you will state which ones you would like to have, perhaps we may be able to get them for you. You can address Miss A.B. Reichel who has charge of the photographs here.

Wishing you continued success, I am

Very truly yours

Superintendent.
