Mr. John Francis Jr.

Dear Sir,

I might be a stranger to you but I am proud to say that I am one that once stepped in the doors of dear old Carlisle. My name was Mary Logg when I was enrolled in school and I attended school a short time. I had to leave on account of my health if it was not for that I would have stayed in school. I just could slap myself for not taking this great opportunity, but what I have learned in my school days I still hold fast to it. I am proud to say so because I teach my children what I have learned, what I know from going to school. I have four boys going to school; the oldest boy is attending the High School of Timber Lake, that is the County Seat of Dewey County.

2.

Now I have tolded you almost every thing on my part so I will say that I regret very much for not fulfilling my duty that was given me but it was all my fault I read it and put it away out my sight until just a short time ago my husband reminded me of it, now I am going to enclose my fifty cents and send it but I feel ashamed of my self for not doing so at the proper date but I hope you will accept it and forgive me. (I dont think there is any body ^{at Carlisle} in the school ^{that} remembers me now, but ^{what} I want to say ^{is} this, I am proud that I am one of those ^{what} ^{every} attended the Famous Indian School of Carlisle, Penn. Thanks to it.

I will close now. Wishing you progress in your work Mr. Francis.

(Very Truly,

Mrs. Mary Swan,
