Dear Madam:

I have your letter relative to the enrollment of your son who is eleven years of age and have to say that as he is under the age limit I will not be able to accept him.

Several years ago we were able to accommodate and take care of children younger than fourteen years of age, but we find that it is better for the children themselves if they would attend another school where provision is made for their care.

We have a few young boys here now, but it is hard to take care of them and to provide work for them. Boys of that age really should be in school all day and we are not situated here to give them all day schooling.

Thanking you,
Very truly yours,
you, I am,

Dear Sir:—

I am a widow and have a son now 11 years old. I would like to put him in Carlisle. I am just visiting my sister down here in Virginia, and if it will be so you can take him there I will bring him there. I am from the Rosebud Reservation in Co. Dak. I used to go to Carlisle about 12 years ago. Please let me know at once. If you can take him. Are the terms 3 years now? I will have to earn my own living from now on and I think it will be best to put him in a good school now. I am a half-blood Sioux. My maiden name was Grace Bouzer.

Thanking you for an early reply.

Very Respectfully,

Mrs Grace B. Soedt.
