Dear friend:-

Mrs. Cook has written to me regarding some papers which were sent to you sometime ago. I presume these papers were blanks which you were to fill out telling us some thing of yourself. I am trying to keep in touch with all the Carlisle ex-students and as you were here a few months, one of these letters with the blank was sent to you. I will be glad to have a letter from you at any time you wish to write.

With best wishes to you, I am

Very truly yours

Superintendent.

Mrs (Adelia Tyon.)

Oglala, South Dakota.

My dear Friend:

This is to advise you that the two girls named in your letter of September the 12th can be enrolled at Carlisle if they are eligible and their applications for enrolment are properly approved by Superintendent Brennan of the Pine Ridge Agency. The blanks I enclose herewith may be used to bring the girls' applications for transfer to Superintendent Brennan's attention.

Transportation has been placed to the order of the Superintendent at Rushville and it has been learned that a number of prospective students from the Pine Ridge Agency are to be sent here soon. It is my suggestion, therefore, that applications for the enrolment of the girls in whom you are interested be submitted to the Superintendent without delay.

Thanking you for your assistance, I remain,

Very truly yours,

HCM.

Supervisor in Charge.

My dear Friend:

This is to acknowledge receipt of your letter of recent date, advising that the two girls you had in mind for enrolment at Carlisle can probably not come this year. Because of the fact that a number of students from the Pine Ridge Agency have been enrolled this year it would have been a good time for your friends to begin their work at Carlisle.

Having made inquiry about your cousin, Hattie Long Wolf, it was learned that she died about six years ago. However, the information we have here is evidently not very definite and is not given in detail.

Thanking you for your kind personal regards, I am,

Very truly yours,

HKM.

Supervisor in Charge.
