Dear Sir,-

Your letter was a long time reaching me, so I have just answered it. I just got it to day & it surely does me good to know that the dear old school still thinks of me as one of her daughters and I always think of her with love & long to see the dear place once more and maybe I shall some day.

I have filled in the postal &  
it will go out with this  
letter.

I would like to know how  
much the "Red man" costs a  
year as I would like to send  
for it.

Wishing the old place  
a prosperous & better year  
than any that have gone  
before I will close

Resp.

Yours truly  
Mrs. F. L. Bostwick

Dear Sir, -

Your most welcome letter  
rec'd and am more than glad  
to know that you take such an  
interest in the returned students

I for one am proud of what  
learning I rec'd while there and  
for the kindness that I rec'd.  
and I am trying to live my  
life and uphold my good character  
so the that the good old school  
need not be ashamed of me as  
a returned student.

I am a working woman

and work by the day. I have  
two little ones to take care of  
and they certainly use my joy  
in life.

Well I will close hoping  
to hear more of the dear old  
school yours respf.

Dear Sir,

The Arrow received and was very glad to get it. It certainly is entertaining and I do so enjoy reading it. As I read it, I can see the school and all its buildings and well kept lawns as plain as when I was there and looking at it in reality.

Of there are a good many changes that I have been made since I last saw it but as it was then, is the way I still see it. I often

wish I could take time and  
money by the forelock and  
kiss my back to the school,  
that is so dear to every  
returned student.

Well I must close.

Thanking you for  
the enjoyment I receive  
from the arrow.
