INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other non-reservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.

Mr. Meyer - Annie puts up a good bluff to her sister. I have not talked to her about the Thanksgiving program, nor has Mrs. Ewing. I think she has a bank account and if she really needs \$5 she can probably get it. Mr. Alex Cole,

Hogansburg, New York.

My dear Sir:

I have just received your letter of June the 17th and must advise that a reply to your former letter was sent to you yesterday. It was as follows:

"I have been making inquiry about the condition of your daughter's health, and I have learned that her last report from her outing home gave it as "good". The report was issued since the beginning of this month and there must be some mistake about the rumor that has reached you and which is referred to in your letter of June the 9th.

Annie is now living with the family of Mrs. J. S. Buist at Moorestown, New Jersey, and for the reason that her period of enrolment does not terminate this year it will not be advisable to let her go home. Such action is not necessary on account of her health."

that she could be treated by our

she went to your school, and I am
afraid her old ailment is coming
back on her again;

So kindly let me hear from you
in regard to my daughter; also I
hope that my request will be granted.

Dear Sir

Your recent letter under
date of Oct 21st is at hand
In reply would say it is
with a sincere & deep regret
that I was compelled
to write you & request you to
send my daughter home.

I fully realize that I may
be doing my daughter an
injustice to have her removed
from her studies & school
surroundings but in view
of my failing health & four
small children depending on

me for support & care I am
 thinking that I am justified
 in demanding her return to
 assist me in my household
 duties.

Please give this letter your careful
 consideration & accord me justice
 and give heed to my request.

Kindly give me an early
 reply.

Dear Madam:

Having noted in your letter that you desire to have your daughter sent home, I must state that her period of enrolment has not terminated and that special permission for her release now can only be granted you if it is established that her presence at home is urgent enough to justify taking her out of school at this time.

Annie has just come to the age when she can make the best progress in her studies and her work, and if it is at all possible for you to get along without her help she should be allowed to continue with her education here.

Very respectfully,

Dear Sir,

I am writing this letter
to you in regard to my
daughter Miss Annie Cole
a student in your school.

I want my daughter
return home. I am getting along
in years and am somewhat
feeble. So I would indeed be
glad to have the services of
my daughter. I am not
in my tenured duties.

The discretionary authority
to permit her to come home
before her time is up is vested
in your hands.

May I not hope I receive
a favorable reply from you soon?

Dear Sir,

Some time ago we had
some correspondence in reference to
my daughter (Miss Annie Cole)
who is a student in that
institution.

The question of her return home
to assist me in my home was
fully dwelt upon, in reply you
said that special permission
could be obtained to have her sent
home, if the fact that she was
needed at home was established.

I answered your letter setting
forth such facts I believe,

I hoped for an early & favorable reply, but some weeks have elapsed since that ^{letter} was written, and no reply has been received from you on the matter to date.

I am anxious to have my daughter sent home as soon as possible. I need her in my home to assist me in my household duties. I am getting feeble in health and having four (4) small children yet depending on me for care & support. I find to give ^{them} adequate care is indeed an onerous task and I would welcome the assistance of my daughter Annie in the performance of such task.

If it is Necessary I will forward
The money to you for her transportation
home.

Hoping to have an early reply from you
I remain your Respectfully

My dear Sir:

In further reference to your requests for the return home of your daughter Anna to be of assistance to her mother, this is to state that in order to complete our files here there should be submitted by you a statement from your family physician concerning the condition of Mrs. Cole so that the necessity for Anna's return home can be established thereby.

If the statement is definite and it is shown that the necessity for Anna's return home exists she will be sent just as soon as a sufficient amount of money is placed on deposit with me to pay for her transportation. This is required because Anna's period of enrolment does not terminate this year and she is not entitled to her transportation at Government expense.

I have noted in your letter of March the 11th that your daughter Anna is to remain at home permanently and that the amount of money to her credit here is to be transmitted to her for her immediate use. Accordingly, checks in the amounts of \$8.07 and 41 cents are being enclosed herewith. The former amount is the balance of the deposit she made for transportation when she left here and the latter amount represents interest that has accumulated on her account since the last semi-annual interest credits were entered.
