Supervisor O. H. Lipps,
Carlisle, Pa.

Dear Mr. J. C. Hart,
Superintendent, The Oneida Agency,
Oneida, Wis.

Your telegram of inquiry as to Darius Skenandore's
mother received this morning. I found that she is in Green Bay,

with her daughter Mrs. H. Ruff, Box 116, Green Bay, and called upon her on September the 6th in regard to the condition of Darius Skenandore's mother. Copies of both have been transmitted to Darius for his information. As her physician, and he stated that she had been in bed some time, I also called upon Dr. Baird as her physician, and he stated that she was suffering from a cold and was believed serious enough to warrant his being called home again if needed.

If, at a later date, his mother's condition is believed serious enough to warrant his being called home I will be pleased to have a recommendation from you by wire and I will then communicate with Darius at his place of employment or boarding place.

Very sincerely yours,
HKN.
Supervisor in Charge.

The telegram gives the best obtainable information at this time, and I hesitate to recommend Darius' return unless the need seems more urgent than now appears.

Very sincerely yours,
J. C. Hart
Superintendent.

Supervisor O. H. Lipps,
Carlisle, Pa.

Dear Mr. Lipps:

Your telegram of inquiry as to Darius Skenandore's mother received this morning. I found that she is in Green Bay, with her daughter, Mrs. Henry Bins, Route 7, Box 116, Green Bay, and called up her son-in-law, and he reported that she had been in bed some time and was not eating anything. I also called up Dr. Fairfield, who was reported as her physician, and he stated that he was called in about a week ago and found her suffering from a cold, prescribed for her, and was to be called again if needed, but has heard nothing further from her.

So far as he could judge from her condition at that time it was not serious. I am also delivering a message from Darius to Mrs. Cynthia Huff, asking information concerning his mother but it is improbable that Mrs. Huff has any further information as Mrs. Skenandore is now with the daughter in Green Bay.

The telegram gives the best obtainable information at this time, and I hesitate to recommend Darius' return unless the need seems more urgent than now appears.

Very sincerely yours,

J. H. Hart
Superintendent.

Mr. J. C. Hart,
Superintendent, The Oneida Agency,
Oneida, Wis.

Dear Mr. Hart:

Referring further to our correspondence in regard to the necessity for the return to his home of Darius Skenandore, this is to report that he came to this office today with a letter from his mother in which she accused him of not believing her and reprimanding him for certain other shortcomings. Darius was evidently quite broken up about the letter and when he asked for advice the liberty was taken to suggest that he go to visit his mother. He has the necessary funds to pay for his transportation and he has been advised to arrange with his employers in Carlisle so that he can return here to continue with his work if he does not become located elsewhere.

Very respectfully,

HKM.

 Should he receive assistance to find employment? _____
 At what employment do you think he would do best? _____

SUGGESTIONS FOR SUPPLYING THE INFORMATION REQUESTED ON THIS BLANK

1. The report of nonreservation school Superintendent should be made at the time or a little before the pupil leaves school, whether at the end of the school year or during the school year, provided the pupil is 18 years of age or over, or younger, if for any special reason the pupil is quitting school permanently. As soon as this report is received, or at least very soon after the pupil returns home, the Supervisor of Indian Employment will correspond with the returned student for the purpose of getting more in personal touch with him and finding out something about his wishes, etc. His answer will be attached to and filed as part of this report.

2. Health, height, and weight of returned students are sometimes very important in placing them properly; height and weight could be approximated very satisfactorily, though from the pupil records now in use all information called for in part 1 of this blank can readily be obtained and be definite.

3. The State, agency, and tribe are important, and where the pupil is not attached to any agency this fact should be stated and the Superintendent should give all available information as to the home and local conditions surrounding the pupil.

4. Where the outgoing pupil has passed the civil-service examination for any position, this fact should always be noted, giving position for which examination was taken.

5. It should be remembered that the Supervisor of Indian Employment can but seldom have a personal acquaintance with the outgoing student, and that he must depend on the information furnished in this report for his basis of action in behalf of the pupil.

6. The degree of Indian blood should always be given, as this fact largely determines how much effort will be made on behalf of any particular returned student; qualifications being equal, or nearly so, the preference will be given to those having the greatest degree of Indian blood.

7. This report should be forwarded promptly to the Supervisor of Indian Employment, Indian Office, Washington, D. C.

8. Reports on students from reservation schools should be made only as to those who leave the schools at 18 years of age, or older, and who will probably not go away to school.

9. If part 1 of this report is made out by the principal of a reservation school, the reservation Superintendent should supply information called for in part 2 if the principal is not informed as to home surroundings and local conditions. Such information is essential to a proper understanding of the difficulties and needs of the pupil.

10. When part 1 is made out by a nonreservation Superintendent, this blank will be sent by the Supervisor of Indian Employment to the Superintendent of the reservation where the outgoing student belongs. He should fill out part 2 and return the blank as promptly as possible, for practically nothing can be done until the information called for in part 2 is supplied.

Information under the heading "Employed since return as follows," will be valuable only in cases where the pupil has been home for some time.
