Any general statement or wishes of patron or pupils, together with Agent's estimate of place, people, and pupil:

I visited Peter in the shop and he seemed unsatisfied with his wages. He said he believed he should have at least \$1.00 per day.

He made mention that he would like to go home and that he had written to the school in regards to his going home but had no reply.

His patron seemed to like him well but thinks he is getting all he is worth at present.

Mr. Peter Thomas,
Black Bear, Cal.

Dear Friend:-

I have your card dated January 19, 1913 and I was glad to learn of your present address. We are always glad to hear from ex-students of this School and hope that they feel as interested in their old School, as we do in them.

We have a system in this Office whereby we are endeavoring to keep track of all ex-students and I shall be very glad if you will advise us from time to time of your whereabouts.

I am placing your name on our mailing list for the School paper "The Arrow."

Regarding the money you speak of, I have to say that this is a matter of which I have no knowledge, since this incident transpired before I came to Carlisle. I doubt very much if you will be able to recover same at this late date. You should have attended to this matter before you left the School.

Wishing you all the success possible, I remain
