INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other non-reservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.

Jan. 11 - 1911.

Dear Sir,

Sgt. of Indian School, Carlisle,
Pa.

I do not yet remember

me as a student in the Indian

School, Carlisle, Pa.

that was in existence in the

year of 1910. I had to leave Carlisle

about a middle of July 1910, and

went to my own home at

of County Michigan. And that I

was placed in the care of Carlisle

Indian School. But, now, I am not

on the west Michigan yet. That is

Day here, I don't expect me
that I am still living in Michigan
or any such way. What you are thinking
that I could dare to stay in Mich.
forever. Well, No Sir, I can not be
supposed to stick around that place in west
Michigan, not in my life. I got to get
away from that place anyhow.

Hey there Sam, out here
living with Mrs. Ida P. Jannus,
Number Street 322 Hanbury Street
German town, Pa., I came here about
couple months ago, from this week.
a from west Michigan. I never
visited anyone for my a long trip. Only
that Mrs. Jannus had sent me a
Ticket for coming over here. She had
sent the Ticket from here a Germ land
Station to ^a way along to Michigan Pine
River Mich. This is a place where I
was living and I had started from
that place of my home in Mich. ^{Pine River}

much where I was, and I had change
cars about a four times. I leave my
home from 10.20 a.m. Train and arrived
Detroit much to 3.15 P.m. and I leave
Detroit after I had stay there about five
hours there and I took Train there and
went to Trip Toledo, Ohio, about 10.30 P.m.
that time which I had from Detroit much,
and left Toledo about 10.35 P.m. just
about midnight, and just all night a
trip Ohio, Country. intill next morning.
I arrived Petteberr, about 5.50. A.m.,
and I change cars there too, I leave there
from Petteberr Pennsylvania about 6.45.
A.m., and I arrived Philadelphia just
about 6 o'clock a Train, in evening,
of course I have to change cars
in next Philadelphia. Pa, my triping
was two days it was a long way
I came by a lone was not
anyone with me at all. I think that

did. This is my only

I ever did for Trip, and it was very
a long ways to, I bet you can never
try that way Trip as I did now.
of course it is very ^{hard} thing for any
person to be a lone a Trip his that.

Oh, you need not that I don't
know how a lone to go Trip any other
country's. W. D. I'm not a bit
afraid to go any a such a long Trip.

Because I am the most a
success one then any other of American
Indians. I knew that, most everybody
is a afraid to do this game of Trip as
the person is afraid to be alone Trip.

I'm not afraid for Trip any
where, very soon next Spring comes
again I am expected again to take a
other Trip expected to go away off west
Wisconsin, or minn. I am going to
all over that country. Now, how, by, 188.
See, See, How want you to take to go with
me and so you could have a nice Trip.

Will. Dear Sir, I must
say this way, and I may must
kindly to ask you for any kind of
business success. Hope that you may
a please and myself will be as a
greatfully for any thing of business
as I may will touch.

Let me say this way.

Wanted you care any thing a like that
is I hardly think myself is awhile
I am out the next Wisconsin or
min, could you mind that off I will
a brought some of the a poorest persons
of Indians that those who are a very
badly need a good school as must be
to be brought at the School Carlisle.

You may as place me in to be
a Agent I will be charge the business
of to place me for agent. However I
am certainly understand for all that
success would. I may go every of the

many parts of United States.

Perhaps it is a better way that as to go around any of the countries all parts of the United States. All the poor persons must be brought in that of very a greatest a school Carlisle this under the care, and their fare must be charge tickets for that school Carlisle. But not me because I have my own fare tickets myself. I certainly they all see please for any time when they will arrived that Carlisle. As they are need badly a good school.

I am going out there country this or, next, I will returned again early in the fall. Hoping you will be surprised this very interested letter. With heartiest congratulations

Faithfully yours,
Miss Ida R. Sands.

Day. Ida has been with her three years.

Mind incapable of development consequently she was taken from school as she made no progress. She is a good worker, neat, and careful, but cannot plan her work. For several months Patrou has seen that her mind is weakening. Ida has a very great longing for the country and animals. At times without any provocation gives way to violent temper*.
