To the officers of the Alumni Association
Dear Friend:-

We are sorry indeed that we cannot except your invitation to your commencement this year, because ~~this~~ I am hired to farm over two hundred acres for a farmer.

We thank you sincerely for remembering us.

But some time in the future we intend to make a visit to our dear old school Carlisle.

Please do give our

best regards to the out-
going class of 1912,
They should always
have the Carlisle spirit
with them and in whatever
they undertake to do in
the future.

We remain your friend

Mr. & Mrs Joseph Twohearts.

From Fort Totten, N. Dak., comes a card from Mrs. Joseph Twohearts, who was formerly Margaret McKay, and one of our worthy students, stating that she is doing well; she mentions her brother Alphonse, who is also married and settled on his farm which he is cultivating by the methods learned while under the Carlisle Outing system.

3322 Out in the World.

In a very interesting letter from Margaret McKay Twohearts we learn that she and her husband are doing well; they find that it will be impossible to be here for Commencement, which is a disappointment to their numerous friends who looked forward to the pleasure of seeing them again at that time. Margaret also spoke of Alphonse McKay, who was erroneously reported to be married sometime ago. He, too, we are glad to know, is doing well.
