SPECIAL NOTE.

This form must be executed in duplicate when a child is transferred from a reservation to a nonreservation school. The Superintendent of the nonreservation school will retain the original for his files, and the duplicate shall be deposited in the Agency records. The agent will then send to the Commissioner of Indian Affairs his certificate as provided by law. All the blanks must be properly filled in every case.

If the information called for on any part of the blank is not known, that fact should be stated. No space should be left unfilled. Whether the parents are living or dead, their names must be given.

The person who signs the blank as consenting to the transfer should indicate his relation to the applicant by marking out the word "parent," "guardian," or "next of kin," leaving unmarked only the title appropriate to the signer.

INDORSEMENTS.

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them are living, and if neither of them are living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

Provided, That hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case; but in all cases where the parents are living they should first be consulted.

Mr. Moses Friedman,

Indian School,
Carlisle, Pa.

Dear Sir:

It is with greatest of pleasure this fine evening to answer your most kind and welcome letter which was received a short time ago, and also the blank you have put in the letter with it. But sorry to say that I have not yet ^{received} the first blank you ^{sent}.

I did not fill the blank, just my name and home address.

I think I am going to keep a house soon as I am getting ready now and straighten up

my things. I was very glad indeed to hear from you and hope that you will be the same too, when you receive my letter, I intend to write long ago, but I didn't, it seems like I do something made me quit writing all at once since I got married but I am writing just the same.

Well, How is every body up in that part of the country. Every body in Oklahoma are all seemed to be getting along fine but it is pretty dry in this country we need rain very badly.

Give my love and best wishes to all my school-mates,

and tell them not to forget me
and don't regret the time, remember
me always, and I will do
the same.

I am glad that I attend
Carlisle before I quit school
but very sorry that I did not
succeed in much of anything
what I want to learn, but
well satisfied for what little
I have learned while I was
up there, the main two special
work I went up there for is
to take art & music.

I would ^{like} very much to have
one of the Carlisle pennant
and some pictures of football
teams of 1910.

My husband, George went

to school at Bacone University
Okla. but never graduated
he took a severe sick and
came home when he was
in his Junior year and
never went ^{back} to finish.

I will send the money soon
for the pictures and that
banner when I hear from
you.

Hoping to hear and early
reply from you soon.

Respectfully & Sincerely
Yours,

Marie Bacon Pine
