Dear Friend:

I was pleased to receive your letter of recent date and to hear that my greeting for the Christmas time made the holiday season the more enjoyable a one for you. It is a pleasure to get into touch with our former students and I hope you as well as all the others will keep us well informed of what you are doing and when you change your address.

This school year has been a profitable one in many ways and to have the kind wishes and expressions of so many of our former students is always an inspiration to make us do more earnest work for those who are now studying here.

Hoping you will continue to do well at your home, I remain,
