9. Tell me anything else of interest connected with your life:

The act I have on feature over the different  
Vanderbilt circuits, is truly Indian. It consists  
of four High Class songs, and the Chippewa War dance

It shows how the Indian family lived, and the  
superstitions that existed in the different departments  
of Indian Civilization. I do not exaggerate the  
ways of the Indians, in the least, and for that  
reason I am heavily criticized, some people  
think, that our Indian act should be closed with  
a killing, but my Indian, does do nothing of the  
kind, and that is why managers will not give  
me work some times.

My act is strictly right it could be shown in a  
church

I am

Richard. Holmes

**INDORSEMENT.**

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other non-reservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.
