Dear Sir,

Mr Andrew Jackson
and Mr Victor Seneca, two
former Carlisle students
have gone in partnership
in the poultry business.
Mr Seneca who recently
left Carlisle is doing
splendidly and is a sober
young man who understands
his business quite thorough-
ly. Mr Jackson is also
managing a farm besides
the new business he has
now undertaken.

As we people here are

always interested in our
young men on the reservation
we can't help but hope and
wish these two young men
the best of success, hoping
you will put this in print
so as to encourage more of
our young men. I remain

Respectfully,
An Interested Friend,

Dear friend:

I have your letter giving me the name of an Indian boy whom you think will make a desirable pupil for us. As you did not give me the boys post office address, I am taking the liberty of sending you an application blank for him to fill out and return to me.

Will you please assist him in making this out? Thanking you for your continued interest in the school.

Very truly yours,

Superintendent.

Dear Sir:

Being a returned
student of your school
I take pleasure in writing
you this letter for the ben-
efit of another boy who
would like to attend your
school and who to the best
of my knowledge would make
good. He is a St. Regis boy

15 years old and is in the
eighth grade. He came to
me to try and get him in
your school and is at present
staying here with me and
if there is any chance of him
getting in your ~~school~~
send the application blanks
to me as he is very anxious
to go. He please let me know
at the earliest date possible
Yours Truly,

Andrew Jackson,
Living,
