Mr. Jerome Kennerly,

2561 N. 11th St., Philadelphia.

Dear Sir:

Replying to your letter of August the 19th, I have to state that under no circumstances would I consider an application from you for a position at Carlisle.

I have noted what you report in your letter, and I earnestly hope that you will make a better effort to live right than you did during the latter part of your stay here and since you left Carlisle. The records we have on file here are certainly not to your credit, and it will take a great deal of manly accomplishment to offset what is entered against you.

You have my best wishes for success in anything you undertake that is legitimate.

Very truly yours,

HKM.

Superintendent.

to secure that position, or
if there is no opening at

I am anxious to settle
down, as I now fully realize
the necessity of my well-being.
I am positive that I can

My dear Sir:

Among a number of unpaid charges for dental work that was done for students at this school in 1910 and 1911 is one of \$2.75 for work that Jerome Kennerly had done on his teeth in January of 1911. Dr. B. S. Behney, now of 202 Locust Street, Harrisburg, Pennsylvania, referred the matter to the Office and I now bring it to your attention with a request that assistance be given. The amount desired by Dr. Behney may be remitted to him direct, but it is suggested that the Office be notified when the matter has been settled.

Very respectfully,

HKM.

Supervisor in Charge.

Special Agent in Charge, Blackfeet Agency,

My dear Sir:

Re: Jerome Kennerley's claim that he paid an amount of \$2.75 to Dr. Behney for dental services performed at this school with a check drawn on his account here is not in accordance with the record of withdrawals made on his account in the school bank here. The penciled list of withdrawals copied from our accounts, as noted on the sheet herewith, does not contain an amount of \$2.75 and only two checks in less amounts not made out to Jerome himself.

Respectfully,
Special Indian Agent in Charge.

I return to you herewith the letter he addressed to you and which was forwarded for my information.

Very respectfully,

Daer Sir:

My brother, Jerome Kennerly, was enlisted in the 158th
Aero Squadron which was aboard the Tuscania.

I have been requested by editors of papers here in
Washington to furnish a picture of my brother, but as I haven't
a photograph of him in my possession at this time, I am writing
to ask you to kindly send me any good photographs of him that
you might have at the school.

Jerome was a student at Carlisle at two different times.
During his first stay there in the early nineties, he was, I believe,
the youngest pupil ever enrolled at Carlisle, and a good picture
was taken of him at that time.

I would like to have one of those photographs and also any good
likeness of him during his second stay there or after he had
grown up and which might be found at the school.

I would feel greatly obliged to you for your kindness
in this matter.

Up to this hour I am unable to ascertain as to whether
or not he is among the survivors.

Yours very truly,

P. H. Kennerly

Dear Sir:-

I am writing you, to acknowledge the receipt of the "Carlisle Arrow and Red Man" the first mail I have received, since my arrival in England some time ago; and I sincerely feel, that it is an obligation on my part, to inform you of the great pleasure, it has brought me, and I only wish that I could be at Carlisle to express my many thanks, to you and the entire school for its kind remembrance of me, and I am pleased to inform you in return, that I am enjoying the best of health, and getting along first rate in my capacity as a soldier in Uncle Sam's Army. It my interest you to know that I am

On reading thru, "The Carlisle Arrow and
Red Man," I notice, a number of my former
Class and School mates of Carlisle are
in different branches of the army, which
I must say, is glad news to me. But
so far I have been unable to meet any
of my former Carlisle friends, yet, hope
to meet some of them, when I get to
France; There are very few Indian's in
this branch of the Service. My self being
the only Indian in this Squadron, the

all in my power to make a good record,
for my self, to show my appreciation of
the training I received at Carlisle, and
I trust, that on my return to the States
I will have the pleasure of visiting Carlisle
to thank you, and the Printing force, for
the little paper, which brought me so
much pleasure.

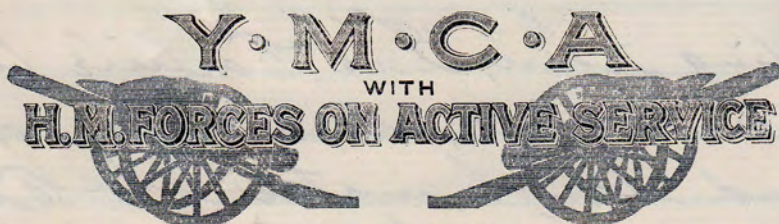

So hoping to remain a credit to
Carlisle, I close with best wishes to
all; I remain Very Respectfully yours,

one of the "fortunate" or "unfortunate" survivors of the S. S. Tuscania; the disaster of which, no doubt, you have read about. After being torpedoed about six-fifty-five P.M. our rescue was made possible thru the brave efforts of the British sailors aboard the destroyers, who risked their own lives, in order to pull-up alongside of the doomed Tuscania, But am pleased to inform you that, out side of a few accidents, the Officers and men behaved very manly; We all landed at different ports, in Ireland, where we remained for several days, before crossing the Irish Sea to England; This Aviation School being the second we have been at in England, and how long we will be here, I cannot say.
