Mr. Harry Mileham,

214 Harrison St., Topeka, Kans.

My dear Sir:

I was pleased to receive your letter of the 14th instant and to learn that you owe so much to Carlisle's influence and the training you received while a student here. It is gratifying to know that your school life prepared you to be a useful and self-supporting citizen and that you are now taking your place in a community where merit counts. The work a young man does after he leaves school is the best test of his worth and the value of his education.

I assure you that your friends here join me in extending best wishes for continued success, and it is hoped other favorable reports will come to us regarding you.

Emil Hauser was located at Siletz, Oregon, when we heard from him the last time. Clarence Woodbury has not written to us since January the 20th of 1913, and at that time he was located at 1832 Girard Ave., Philadelphia. No doubt his wife's parents would know where he is and it is
