My dear Madam:

Referring further to my letter of July the 1st,  
I submit below for your information a copy of a letter  
that was addressed to me by Mr. H. H. Brown of Light Street,  
Pennsylvania, on the 7th instant:

"Yours received and in reply to your in-

have not seen him since he returned to school  
from here. I have a letter from him in 1912,  
and then he said he was working on his father's  
farm, Hogansburg, New York. I have no doubt he  
is still living there. With my best wishes for

My dear sir:

I received your letter asking information about David Solomon. I received a letter in Nov, 1913, at that time he was at his home Hoaglandburg, N. Y. have not heard of him since I thought

Mr. M. Friedman,  
Superintendent,  
Carlisle, Pa.,

Dear Sir

No doubt you  
will be surprised to hear  
from me. The reason  
I am writing to you is  
to ask you to do me  
and my children a  
great favor. My  
husband is David Solomon  
was a student to your  
school a few years ago.  
Him + another fellow  
went to the Messena N.Y.  
about four weeks <sup>ago</sup> and  
David never came

ick, and he has  
never written to  
me since he went  
away. I cannot under-  
stand why he did.  
that He was always  
such a good husband  
and loved his two little  
boys, and they certainly  
miss him very much  
and the ~~same~~ other  
year came back  
he says that David  
has gone to Pa. and  
So I wish you would  
inquire to know the  
places he used to  
work before he came

at my school  
think the names  
are H. H. Brown  
Mr. Hildebrand in  
Belvidere N.J. &  
J. A. Creasey and the  
other place he worked  
was in Binghamton N.Y.  
that's when he run away  
where he was a  
young boy I do not  
know the peoples  
name he worked  
for. I thought you might  
remember them &  
you have a better  
way of looking  
him up. If you

could ask these  
people if I have  
mentioned, please  
do not tell them  
why you are asking,  
But all I want is  
to get his address  
if he is any where  
around there and  
I would write to him  
myself. I am very  
much worried  
because David  
is not well at all,  
and I think the  
poor fellow is  
discouraged with

every thing. Please  
do not mention to  
any of the student  
that he knows. I  
am not writing to  
you to make you  
think less of him.  
No I want your  
help. And I will be  
very grateful to  
you if you will  
do that much for  
us. It is not to  
much trouble.

Hope to hear from  
you soon. I remain

### INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other non-reservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.
