Mr. M. Friedman.
Superintendent,
Carlisle, Pa.,

Dear Sir

No doubt you
will be surprised to hear
from me. The reason
I am writing to you is
to ask you to do me
and my children a
great favor. My
husband is David Solomon
was a student to your
school a few years ago.
Him + another fellow
went to the Messena N.Y.
about four weeks ago and
David never came

ick. and he has
never written to
me since he went
away. I cannot under-
stand why he did.
that He was always
such a good husband
and loved his two little
boys. and they certainly
miss him very much
and the ~~same~~ other
year came back
he says that David
has gone to Pa. and
So I wish you would
inquire to know the
places he used to
work before he came

ok from school
think the names
are H. H. Brown
Mr. Hildebrandt in
Belvidere N.J. &
J. A. Creasy and the
other place he worked
was in Binghamton N.Y.
that's when he run away
where he was a
young boy I do not
know the peoples
name he worked
for. I thought you might
remember them &
you have a better
way of looking
him up. If you

could ask these
people if I have
mentioned, please
do not tell them
why you are asking,
But all I want is
to get his Address
if he is anywhere
around there and
I would write to him
myself. I am very
much worried
because David
is not well at all,
and I think the
poor fellow is
discouraged with

every thing. Please
do not mention to
any of the student
that he knows. I
am not writing to
you to make you
think less of him.
No I want your
help. And I will be
very grateful to
you if you will
do that much for
us. If its not too
much trouble.

Hope to hear from
you soon. I remain
Mrs. David Solomon

INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other non-reservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.
