Mrs. Alice Young Bird,

Very truly yours,

Cherokee, North Carolina.

Dear Madam:

Acting Superintendent.

On the 4th of July your son Saughee left his out-  
ing home without permission and came in to the school.  
Since that time he has been required to work here without  
compensation.

He now desires to return home and as he had made a  
very satisfactory record before the date mentioned above  
I believe that his uncalled for action at the time should  
not now be used as a reason for denying him the privilege  
he has requested. Accordingly, arrangements are being made  
to have him leave here tomorrow afternoon and transporta-  
tion for his passage to Kla will be procured for his use.

It is only fair to state further that Saughee has  
always been a good worker, has done whatever task was given  
him and that he has been equally efficient during the month  
he has been required to work here as part punishment for his  
leaving his place of employment.

I should like to see him return to school in time to  
take up his studies on September the 7th, the opening day of

In the case of pupils concerning whose eligibility or need of Government aid there is some doubt, superintendents should make proper remarks and recommendations in the space indicated and forward the form to the Indian Office for consideration.
