Mr. Albert H. Kneale,
Supervisor in Charge, Standing Rock Agency.,
Fort Yates, N. D.

My dear Mr. Kneale:

This is to inform you that Casper Lacompte, a 23 year old Sioux Indian who came to this school from the Standing Rock Agency on January the 5th, last, has deserted. He has been missing since February the 21st.

It seems that the young man had come here at his own expense, and when he requested permission to take up work in a trade his enrolment was effected.

I also enclose a copy of a letter reporting the desertion of Leo Archambault. It is to be regretted that this young man has taken such a step, because I am informed by those who have come into close association with Leo that he was a very fine young man and that he was especially anxious to gain more experience in farming as it is carried on here in the east.

Very respectfully,

HKM.

Supervisor in Charge.

INDORSEMENTS.

The laws relating to the transfer of Indian children from reservations and schools are as follows:

That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them is living, and if neither of them is living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

Provided, that hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

The rules provide that—

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case.

This form is to be used only in transfers from reservations, or Indian schools, to nonreservation schools.
