That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them are living, and if neither of them are living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case; but in all cases where the parents are living they should first be consulted.

Supt. M. Friedman.

Dear friend.

Your letter was rec'd
some time ago and I was very
glad to hear from you, your
letter found me all O.K. I came
to Gallup about two months ago
and I have been working here
for the Santa-Fe R.R. Co. as a
machinist helper, I am enjoying
my work, and I expect to stay here
little longer yet.

I am out here just for a change,
I have ~~my~~ my ranch most of
the time, but then I thought I
would work little, so that is why
I came here.

my wife Lettie, just came a few days ago, and now she is here with me, we both are well and happy.

We are so anxious to get the Arrows again, for we like to know how dear old Parkie is now, and how the students & employees are getting along.

I would like to have you send me a copy of the Arrow every week when the School starts and I shall subscribe for the "Red Man" too.

Mr. Friedman would you like to exchange an instrument? I got a very nice first class and ~~a~~ new cornet which I like to exchange for a clarinet, I paid \$62.00 for the cornet, it is called the "New Invention Cornet" Conn made cornet,

C. G. Conn says this cornet is one of the new model or new made cornet and the best cornet he

ever turned out, and it is an
easy blowing cornet, it is silver
and has gold bell front and is
engraved, I sent a post card
picture of it to Mr. Stauffer last
year, now ask him if he
would exchange instruments with
me, and if so, let me know soon
I would like to have a Bechome
Systeme Clarinet, Mr. Stauffer
knows what kind Clarinet I used
to use, and I would like to have
one the same ~~kind~~ kind.

This cornet of mine, is a ~~new~~ new
one, I never use it much, for
I don't know much about it, and
if Mr. Stauffer exchange it, he would
make ~~or~~ use of it I know, so
please let me know what you have
to say about it.

This is all, hoping to hear from
you soon, close with regards to you
Good bye.
From your truly
J. S. Ross.
