Mr. Hamilton Jimerson,  
Irving, New York.

My dear Sir:

Your brother Jacob has returned to school after a stay of one and one-half years at one of our Outing homes. At his request he is now being given permission to go to your home for a visit with the understanding that he is to return to Carlisle on the 20th of this month.

Jacob expects to leave here tomorrow morning and transportation to Buffalo will be procured for his use. His return transportation will be placed with the agent of the Pennsylvania Railroad at Irving, so that there will not be any delay about securing a ticket when he is ready to come back to school.

Hoping that you will be well pleased with Jacob and that nothing will interfere with his return to school, I remain,

Very truly yours,

HCM.

Supervisor in Charge.

Rev. F. B. Jackson,  
Versailles, N. Y.

My dear Rev. Jackson:

I have looked into the matter of the health of Jacob Jimerson, and am informed that his health seems to be in good condition, and there is nothing on his record to indicate that he is suffering from bad eye sight. If his eyes need attention, there will be no difficulty in having this adjusted without delay. I am writing as I promised you during my recent visit to the Cattaraugus reservation.

I enjoyed my trip immensely and was pleased with the progress which is being made by your people. I feel quite confident that this is due in part at least to the good influence which you and the other missionaries on the reservation have had.

With kind regards, I am,

Very sincerely yours,

MF:SR

Superintendent.

### INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other non-reservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.
