Miss Theresa Felter,

Fort Washakie, Wyoming.

My dear Friend:

I have noted the request contained in your letter of recent date, but believing that it would be to your advantage to continue with your school work while you take up additional work in sewing, I should prefer you to enroll as a regular student.

I enclose herewith a blank in duplicate upon which an application for your enrolment may be submitted to your Superintendent for his consideration and approval, and if you are not yet twenty-one years of age and the Superintendent so recommends I can place transportation for your use.

The additional blanks I enclose may be handed to those of your friends who may decide to come to Carlisle with you.

Hoping that you will not delay about giving this matter your further consideration, I remain,

Very truly yours,

HCM.

They are making out applications and would like to go with them. So please early reply.

Dear Sir

Would you please send
me an application blank
for enrollment at Carlisle?
you sent me some after
I came home, but I can't
find them. I am well
and enjoying life out
here in the West, but
I often think of Carlisle.
And wish I was at the
dear old school once more.
As I hope I shall be there
very soon, I have been

a Hotel.

Miss Theresa Felter,
Evanston, Wyoming.

My dear Theresa:

I have your letter of June the 18th and am pleased to know you had such a pleasant trip home, even though it was somewhat tiresome for you. I am also pleased to know that you are looking forward to the time when you can return, and bring your sister with you.

In order that you may have the blanks on hand when you are ready to apply for your re-enrolment I enclose herewith two sets. If other young people from the vicinity of your home would be interested in some of our school literature I would thank you to send me their names and addresses. Application blanks will then be mailed to them also.

Hoping the entire summer will be very pleasant for you in your home, I remain,

Truly your friend,

HKM.

Superintendent.

Oranston, Wyo.

June 18, 1913.

Mrs. Moses Friedman.

Carlisle, Penna.

Dear sir: -

I reached home on Saturday afternoon about two o'clock, I surprised my people, they were not expecting me until the next day, so when I reached Oranston they were not at the station to meet me, but I did not mind that at all because I knew where my home was and I soon reached home, I was very

lonesome for Carlisle, and I will be
back to Carlisle next fall. My sister has
a nice place, they have ~~a~~ lot of fine Chickens,
ducks and Turkeys, I will try and bring
my little sister back to Carlisle with me
next fall that's if my mother will let
her go back with me. I don't like the
West as well as I do the good old East.

Mrs. Friedman & I would have ~~not~~ wrote sooner
but I was pretty tired when I reached
home, so I rested the last few days,
and now I am ready for work, next week
I am going to work out and earn money
for my self and not let my people
furnish me with money, I cannot thank
Carlisle for what it has done for me.

Yours Truly

Theresa Feltz,

Oranston, Wyo.

Miss Theresa Felter,
Evanston, Wyoming.

My dear Theresa:

Complying with the suggestion contained in your letter of July 14th, I am enclosing herewith a blank application that may be forwarded to your sister on the reservation. If she is of the required age, it can be arranged to have her come to Carlisle with you this fall. I also enclose a blank upon which your application may be submitted for our files. Just as soon as the same is filled out and returned to me, transportation can be placed for your use.

In regard to the other matter you mentioned in your letter, I can only say that assistance cannot be given you in securing the amount of loan you gave to Christine Mitchell. She is yet at one of our Outing homes and the amount will have to be collected from her direct. Hoping the summer is proving to be pleasant for you, I am

Truly your friend,

Mrs. M. Friedman,

Dear Sir:

Received the Catalogue and
thank you very much for it,
as I am very sorry to say
there is now other Indians
here in Evansston except ~~my~~
our own family.

I am sure if I was on a
reservation I would go

and visit the different
Indians and tell them about
dear old Carlisle.

I have a younger sister
who lives on the reservation
with my mother who ~~I~~
think would like to go to
Carlisle.

I am longing for the time
to come when I shall return
to Carlisle this fall.

Mrs. Friedman there is a
girl at Carlisle who owes me
five dollars and I would

like to have it, I wrote to
her about it and she ~~didn't~~
answered my letters. Would
you please see her about
it? her name is Christine
Mitchel she's out in the country.

Yours truly

SUGGESTIONS FOR SUPPLYING THE INFORMATION REQUESTED ON THIS BLANK

1. The report of nonreservation school Superintendent should be made at the time or a little before the pupil leaves school, whether at the end of the school year or during the school year, provided the pupil is 18 years of age or over, or younger, if for any special reason the pupil is quitting school permanently. As soon as this report is received, or at least very soon after the pupil returns home, the Supervisor of Indian Employment will correspond with the returned student for the purpose of getting more in personal touch with him and finding out something about his wishes, etc. His answer will be attached to and filed as part of this report.

2. Health, height, and weight of returned students are sometimes very important in placing them properly; height and weight could be approximated very satisfactorily, though from the pupil records now in use all information called for in part 1 of this blank can readily be obtained and be definite.

3. The State, agency, and tribe are important, and where the pupil is not attached to any agency this fact should be stated and the Superintendent should give all available information as to the home and local conditions surrounding the pupil.

4. Where the outgoing pupil has passed the civil-service examination for any position, this fact should always be noted, giving position for which examination was taken.

5. It should be remembered that the Supervisor of Indian Employment can but seldom have a personal acquaintance with the outgoing student, and that he must depend on the information furnished in this report for his basis of action in behalf of the pupil.

6. The degree of Indian blood should always be given, as this fact largely determines how much effort will be made on behalf of any particular returned student; qualifications being equal, or nearly so, the preference will be given to those having the greatest degree of Indian blood.

7. This report should be forwarded promptly to the Supervisor of Indian Employment, Indian Office, Washington, D. C.

8. Reports on students from reservation schools should be made only as to those who leave the schools at 18 years of age, or older, and who will probably not go away to school.

9. If part 1 of this report is made out by the principal of a reservation school, the reservation Superintendent should supply information called for in part 2 if the principal is not informed as to home surroundings and local conditions. Such information is essential to a proper understanding of the difficulties and needs of the pupil.

10. When part 1 is made out by a nonreservation Superintendent, this blank will be sent by the Supervisor of Indian Employment to the Superintendent of the reservation where the outgoing student belongs. He should fill out part 2 and return the blank as promptly as possible, for practically nothing can be done until the information called for in part 2 is supplied.

Information under the heading "Employed since return as follows," will be valuable only in cases where the pupil has been home for some time.
