3548 Nov. 1st, 1909,

Mr. M. Friedman,
Supt. I. I. School,
Carlisle, Pa.,

My Dear Sir:—

Benton has completed his 7th mo, and is going to school. In regard to his money, can I send you check for half, and retain the balance due him on other half for Winter, as per your rules? He has earned \$28. during the past 7 mo. He has been very saving, having not used all the one fourth allowed him. As Winter is

approaching, he needs
of Rubber Boots, Over Shoe
some other little articles for
his bodily comfort. He also desires
& need a trunk badly, but as he has
a kind & good mother, she will
help him with that. If the bal-
due him is left in my care, I will
see that it is used judiciously,
Benton is a boy that any
one can be justly proud of,
as he is industrious and obe-
dient, also he is very economical
and displays good judgment
in using his money. With
the season's compliments, I am
Tom Friene, W. D. Kern.

November 4, 1909.

Mrs. W. D. Kern
Martins Creek, Pa.

Dear friend:-

Replying to your letter asking to retain the half of Benton's wages for his needs during the winter, I have to say this is satisfactory to me. I know that you will do the best you can for him in making his money go as far as possible.

I am glad to get such a good report of Benton. We are all proud of our Lavatta children and I feel quite sure that if all of them continue doing as well as they have done while pupils of this school, they will grow up to be good useful men and women.

Very truly yours,

Superintendent.
