INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without special permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.

Kind Sir: -

Though it I would drop a few lines to let you know that I am getting along nicely, working at my trade, painting over since I left there.

I would very much like to be there for commencement but I think it will be a hard matter on account of the rush of work. I wish to extend many hearty greetings to old Carlisle.

P.S. Will you please send me a catalogue of the school as many of my friends who are intending to enter the school would like to look over it.

Mr. Solomon Morrin, one of our ex-students, has been appointed to the position of painter at Fort Totten. While here he was a faithful member of the band, and also proved himself an efficient painter.
