INDORSEMENT.

A child showing one-sixteenth or less Indian blood, whose parents live on an Indian reservation, Indian fashion, who, if debarred from the Government schools, could not obtain an education, may be permitted in the reservation day and boarding schools, but it is preferable that it be not transferred to a nonreservation school, without special permission from the Office. Children showing one-eighth or less Indian blood, whose parents do not live on an Indian reservation, whose home is among white people where there are churches and schools, who are presumed to have adopted the white man's manners and customs, and are to all intents and purposes white people, are debarred from enrollment in the Government nonreservation and reservation schools. Superintendents, in all cases where doubt exists as to the degree of Indian blood of a child proposed for transfer, should fully satisfy themselves of the facts by affidavits from reliable persons, which affidavits must be kept on file at the school.

A pupil who has been regularly enrolled in a nonreservation school must not be taken to any other nonreservation school without the consent of both Superintendents and the Commissioner of Indian Affairs, and Superintendents will be held to strict accountability for such pupils taken to their schools.

A pupil dismissed from school for cause must not be enrolled in any other school without the permission of the Commissioner of Indian Affairs. Full facts must be submitted with each request.

Dear Sir: Received your most  
welcome letter and was glad to hear  
from you. I could not come back to  
school as I am entitled to my allotment  
benefits so I must work for myself  
so I am satisfied whether I didn't get  
my money or not.

Yours Truly,

Any general statement or wishes of patron or pupils, together with Agent's estimate of place, people, and pupil:

Herbert has a good report from his patrons and seems to please them well. From what I have been able to find out he was drinking when in Trenton at a show. His patrons knew nothing of it more than he did not come home for one day after the time he should have.

Mr. and Mrs. Wood are elderly and not able to do much work. They require a boy who can take charge of the farm.
