Mr. M. Friedman,  
Carlisle, Pa.

Dear friend:

I will take the pleasure  
in writing to you this  
morning to inform  
you that Alexander  
Badotte and I were  
happily united together  
on the 20th last Sunday  
morning, and we are now  
settled down in our  
nice comfortable home  
here in Bayfield.

I suppose you remember  
me Rose Okmeit. I use  
to be up at your house  
a good deal with my  
friend Alice Morris  
this spring before we  
left dear old Earlisle.

I havnt heard from  
Alice since I came home  
we came home together  
I left her at her home  
in Pawnee, and I  
went on to my home  
in Shawnee, Okla.  
She said she was going  
back so I suppose

she has returned by  
this time.

I stayed at my home  
in Okla until two  
weeks ago when I came  
here to begin another  
life which I have  
found to be a happy one.  
Alexander and I met  
each other three years  
ago at Barisland  
have keep steady  
company ever since  
always got along fine  
and we always intend  
to be happy and live

up to what we learned  
at dear Carlisle.

We are both thankful  
for what Carlisle has  
done for us.

He works at his trade  
which he learned there  
and gets good wages.

I also finished my  
trade as seamsters there.

I was at Carlisle six  
years and Alexander  
five and shall never  
regret that we went.  
This is a fine place  
we live right on lake Superior.

And it is just grand  
to see the large steamers  
come in from different  
places.

We have such a pretty  
view of the lake where  
we live.

I have seen several  
returned students here  
since I came. Jennie  
Gordon is doing well  
she is working in  
the office of the  
Government farmer.

I believe there are  
several boys and girls

here who intends to  
go to Carlisle this  
fall.

I must close wishing  
you all happiness and  
success through this  
coming school term.

Give my regards to  
Mrs Friedman, also Alice  
if she is there.

I remain

Dear friend:-

I received your letter of the 28th of August and am pleased to learn that you and Alexander are so happily married. I am glad also to know that your husband has work and keeps busy all the time. I trust you may continue in your happy life.

We had another wedding this week. Lewis George and Margaret Reed were married last Wednesday in the Catholic Church and went west to his home the same day. They have both been good pupils here and we all feel sure they will do well wherever they go.

I will be glad to hear from you again whenever you want to write to me.

With best wishes, I am

Your friend

Superintendent.

Nov. 1st. 1911

Dear Mr. Friedman:-

I suppose you know me as I was an ex student of dear old Alma Mater. We are all well and enjoying married life.

I am buying a fruit farm near our home it is costing me four thousand dollars and will start farming it in the spring.

And our house we are living in now we will rent it for \$12.00 a mo. as it will have a stone foundation put under it and a cement cellar which will cost about \$300.

The weather up is much cooler than Penney-brawia it snowed all last night and the ground looks white The lake will freeze soon and then the teams will cross over.

Well how is The "Carlisle foot ball team" coming out I hope they will hold the honors this year as they did before I saw a hot foot ball game

two weeks ago last Saturday between Bayfield High School and Ashland High School team but Bayfield H. S. carried her honors away the score was 23 to 3 in favor of B. H. S.

Well Mr. Friedman I am going to ask you some thing last spring when my friend which is now my wife were at Carlisle Miss Kump as one of the teachers at Carlisle wrote a letter to my wife as she was my friend then to break my friend ship from her she of course couldnt do that well what I am after now did you give her your consent to use an official stamp to write this such a letter to her if you didnt give her the permission to do so it will go as far as clear to show her that a real skin can do some thing she tried her very best to run down my name and character and I am ready for the case.

And please <sup>let</sup> <sub>me</sub> hear from you soon of this <sup>and</sup> chalking you.

(3.)

Will let you out of news. We send  
you our regards and wishing you  
the very best success in your line of work.

I am yours truly.

Mr. W. Friedman,

Carlisle,

Pa.

Dear Sir:

We didn't  
receive our weekly  
arrow yet and  
we are wondering  
what the trouble is  
we are very <sup>anxious</sup> to get The Arrow  
every week because we  
are interested in our old  
Alma Mater.

Will Mr. Friedman I  
 got a letter from Mr.  
 C. Has. Dagenett and  
 asking me if I wanted  
 a steady work well I told  
 him that I am in stock  
 business and also farming  
 I am trying my very best  
 to show what I learned  
 from old Carlisle I  
 am proud to say that I am  
 now a Wisconsin stock  
 raiser and farmer.

I hope many more  
 Carlisle boys that gets  
 out will <sup>have</sup> sense enough  
 to start in right and  
 "Stick" as I am, a man  
 will <sup>not</sup> learn ~~and~~ anything

unless he just digs right  
 in try his level best money  
 will never come to a man  
 unless he works and sweats  
 for it many Indians get  
 so now that they don't get  
 to work they depend on  
 some body giving them  
 a hand out.

Hoping to hear from  
 The Arrow soon.

Wishing you the best of  
 success in your work;

Yours respectfully

5 acres of straw berries  
How cold is it there

it was 34 below zero  
but it is getting  
warmer now though  
I froze my cheeks  
and chin the lake  
is froze up now.

Well I must close  
hoping to hear from

**Suggestions for Supplying the Information Requested on this Blank.**

1. The report of Non-reservation School Superintendents should be made at the time or a little before the pupil leaves school, whether at the end of the school year or during the year, provided the pupil is 18 years of age and over, or younger, if for any special reason the pupil is quitting school permanently. As soon as this report is received, or at least very soon after the pupil returns home, the Supervisor of Indian Employment will correspond with him, for the purpose of getting more in personal touch with the returned student, and finding out something about his wishes etc. The answer to this letter when received will be attached to and filed as part of this report.

2. Health, height, and weight of returned students are sometimes very essential in placing them properly, but height and weight could be approximated very satisfactorily, though from the pupil records now being gotten up, all information called for in part 1, of this blank, could readily be secured and be definite.

3. The State, Agency, and Tribe are important, and where the pupil is not attached to any agency, this fact should be stated as "no agency," and in such cases the Superintendents should give all available information as to the home and local conditions surrounding the pupil.

4. Where the out-going pupil has passed the Civil Service Examination for any position, this fact should always be noted, giving position for which examination was taken.

5. It should be remembered that the Supervisor of Indian Employment can but seldom have a personal acquaintance with the out-going student, and that he must depend on the information furnished in this report for his basis of action in behalf of the pupil.

6. The degree of Indian blood should always be stated, as this fact largely determines the amount of efforts that will be made on behalf of any particular returned student: Qualifications being equal or even nearly so, the preference will be given to those having the greatest degree of Indian blood.

7. This report should be forwarded promptly to the Supervisor of Indian Employment, Denver, Colorado.

8. Reports on out-going students from Reservation Schools, are made only on pupils leaving the school who are 18 years old or over, and who will probably not go away to school.

9. If Part 1, of this report is made out by the Principal of the Reservation School, the Agent or Reservation Superintendent should supply information called for in Part 2, if the Principal has not the necessary information on home surroundings and local conditions. Information in regard to home surroundings and local conditions is very essential to properly understand the pupils' difficulties and needs.

10. When Part One is made out by Non-reservation Superintendents, this blank will be sent by the Supervisor of Indian Employment to the Agent or Superintendent of the Reservation, where the out-going student belongs, to have Part 2 filled out. This should be filled out and returned to the Supervisor of Indian Employment, Denver, Colorado, as promptly as possible, for, practically nothing can be done, till the receipt of this blank, with Part 2 filled out by the Reservation authorities. The information "Employed since return as follows," will be valuable only in cases where the pupil has been home for some time.
