That hereafter no Indian child shall be sent from any Indian reservation to a school beyond the State or Territory in which said reservation is situated without the voluntary consent of the father or mother of such child if either of them are living, and if neither of them are living without the voluntary consent of the next of kin of such child. Such consent shall be made before the agent of the reservation, and he shall send to the Commissioner of Indian Affairs his certificate that such consent has been voluntarily given before such child shall be removed from such reservation. And it shall be unlawful for any Indian agent or other employee of the Government to induce, or seek to induce, by withholding rations or by other improper means, the parents or next of kin of any Indian to consent to the removal of any Indian child beyond the limits of any reservation. (28 Stats., p. 906.)

Provided, That hereafter no Indian child shall be taken from any school in any State or Territory to a school in any other State against its will or without the written consent of its parents. (29 Stats., p. 348.)

The rules provide that—

An Indian boy or girl 18 years old and over may, without the consent of parents or others, personally sign the application form on its being changed to suit the case; but in all cases where the parents are living they should first be consulted.

My dear Friend:

This is to acknowledge receipt of your letter of January the 31st and to say that your name is being added to the list of subscribers to our weekly ARROW.

I have noted that you are yet engaged in railroad telegraphy, but that you are now at home for a short vacation. It is only to be deplored that you did not prepare for more rapid promotions by completing our course at Carlisle, but it is hoped that you will succeed and that we shall continue to hear from you.

Very truly yours,

Dear Friend.

Many times I have thought of dear old Carlisle I thought I would never get a start but now I have got a good job I am holding a position as an operator for the C.M.&StP.R.R.Co. have been working for them for a month or so. I expect to take a trip to Carlisle next fall. I am getting fifty five dollars per month now good chance for a raise all it needs is a little of Carlisle's teachings to go with it and I will pull through.

I want to send my best regards to all of my friends at Carlisle. I would like to know if it would be any more trouble if the Editor would send me the Arrow at Hudson instead of Homer Nebr., I am lost with out the paper it does me a lots of good to read it if you would do that favor for me I would be very much pleased.

Yours Truly.
